Description

Long Description

To Whom It May Concern: Pursuant to the Freedom of Information Act, I hereby request the following records: Documents on William Diller Hollenbaugh. Hollenbaugh was a resident of Shade Gap, Pennsylvania, and in 1966 kidnapped Peggy Ann Bradnick and held her captive for seven days. The FBI was involved in searching for Hollenbaugh, and, before he was apprehended, he shot and killed FBI Special Agent Terry R. Anderson (<https://archives.fbi.gov/archives/philadelphia/about-us/history/famous-cases/special-agent-terry-r.-anderson-killed-in-the-line-of-duty-may-17-1966>). A copy of a news story reporting his death is attached. A previous FOIA request with the FBI indicated that files related to William Diller Hollenbaugh were destroyed, but there remains a possibility that NARA is in possession of the files. It was recommended by David M. Hardy at the FBI that I reference file number 7-HQ-11424 in this request. The requested documents will be made available to the general public, and this request is not being made for commercial purposes. I am a journalist employed by MuckRock News, based in Cambridge, MA, and therefore, request media requester status under a plain reading of the FOIA statute. This (<https://www.muckrock.com/accounts/profile/Lucasgsl/>) is the link to my author page on MuckRock, which contains links to stories I have written based on my collection of public records and interviews. I have also reported for and been published in such online and print outlets as WGBH News in Boston, MA and the Nation Magazine. In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not. Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 20 business days, as the statute requires. Sincerely, Lucas Smolcic Larson
